

INTERCALATED DEGREES IN PATHOLOGY INDIVIDUAL STUDENT APPLICATIONS

The Society funds up to ten medical, dental or veterinary undergraduates who wish to take an Intercalated Degree (either BSc or MRes/MSc) but who are unable to do so because of lack of local education authority funding. All of these awards will be made directly to students.

The Pathological Society is only able to help fund intercalated degrees where the principal focus is study in pathology (including molecular pathology & bioinformatics in pathology), though this may include degrees where the taught content is generic biomedical sciences if there is also a project in pathology

The grant will cover the cost of university fees of up to £9,000, a £5,000 stipend + £1,800 consumables. Scottish students studying in Scotland will not be eligible for university fees.

The terms and conditions are as follows:

1. The applicant must be an undergraduate member of the Society based in UK and/or Ireland
2. Projects cannot be supervised by first degree relatives.
3. The degree must contain a substantial research component which is supervised by a **member of the Society in good standing for at least 12 months (or a member is part of the supervisory team)** within Great Britain and Ireland.
4. Application is on-line via the Society website www.pathsoc.org. Your application must include proof of university fees, a completed Part B and details of the **syllabus** and **infrastructural support arrangements** provided by departments to which the for the BSc/MRes/MSc programme, with particular reference to supervision of laboratory projects and written work (similar to those provided for PhD studentships awarded by the Society and other bodies)
5. A 1000 – 2000 word report written by the student must be sent to the Deputy Administrator within 3 months of completion of the degree. **Failure to provide a report will preclude future support to supervisors/departments in this and other schemes run by the Society.**
6. Successful students will be expected to submit an abstract for presentation at either the winter or summer meeting. Registration fees will be waived for attendance at the meeting.

The Society will normally withdraw funding if the grant is not acknowledged and accepted within 3 months of the offer

Applications will be reviewed by the Education & Training Sub-committee. Applicants will be advised of the outcome as soon as practicable after the deadline date.

Please note: The Pathological Society is a registered charity which is not in a position to provide full economic costs or overheads with regard to any funds awarded.
